## Commodore's Quarters

### Hello November

October was a good month for the club financially, and it also brought in a fair amount of fun. The club rentals for birthday parties, fundraisers and reunions are such a huge win for the club. In most cases, they pay for the rental, they pay for additional operating expenses, and we receive a positive bump in top line sales. So thank you to those who chose the Boat Club for your venue. As we approach the holidays, be thinking about using the club for your events. We are more than affordable, easy to do business with, and guests "love" the club.

As we wrap up the final quarter of my Commodore tenure, I have laser focus on my 4<sup>th</sup> Qtr objectives. Create accountability, checks & balances, and minimum performance standards for every department. With 12 month turnover of officers, the club desperately needs new tools and standard operating procedures, that carryover (and even improve) from one administration to the next. The progress in the first 10 months of 2021 is notable in my opinion, and the lessons were hard learned, and, at times, required heavy lifting and difficult decisions. Any thought of taking steps backwards is upsetting, so I plan to complete a "Commodore's Play Book" before December 31. The Play Book will include the reporting tools, and the procedures to destroy the enemy of the club that has plagued it for years: Unaccountability, leading to irresponsible behavior, which is born from complacency, and lack of oversight. For the moment, the battle is won but the efforts need to continue into perpetuity. I intend to leave good tools behind for those who will follow.

Thanks everyone for your friendships, and contributions to our little club.

## SHOW TIME AT THE SAN DIEGO MISSION BAY BOAT & SKI CLUB

Friday, Nov 5<sup>th</sup> – 6:30pm to 9:30pm • **GENERATION GAP** •

Rock, Blues, Country and Funk, Generation Gap plays a wide range of music that appeals to all ages. From Amy Winehouse to Stevie Wonder, the band features young female singer Josie Lavalle, guitarist Steve Barto, and the father and son rhythm section of Jake and Gary Halvin.

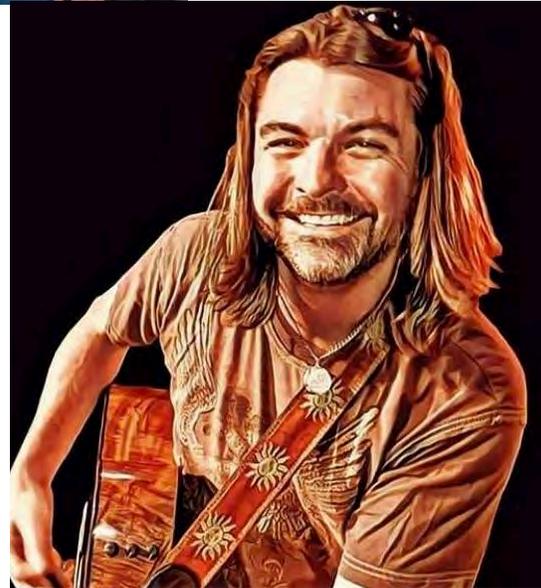

Friday, Nov 12<sup>th</sup> – 6:30pm to 9:30pm • **JIMMY LEWIS** •

Front man of San Diego hometown favorites Superunloader, Jimmy Lewis' formidable songwriting, versatile singing and brilliant guitar work is on a level all its own. "So suggestive, evocative and downright poetic... Lewis has schooled himself at the feet of the masters!" His mesmerizing musicianship is as memorable as your first kiss and has led him and his band to sharing the stage with the likes of such legends as Bob Dylan, Carlos Santana and Greg Allman, just to name a few. Strap yourself to your seat, 'cause you're about to be blown away!

Friday, Nov 19<sup>th</sup> – 6:30pm to 9:30pm • **MIKE NASH** •

Southern Rockin' Country with a twist of lime, a splash of salt water, and distilled in the backwoods of Tennessee, here comes touring singer/songwriter Mike Nash! With storyteller songs about life and love, lyrical tales from the unique people he's met along the way, and of course plenty of summertime "drinkin' at the lake tunes" with an island-inspired twist, there's something in a Mike Nash show for everyone to relate to.

Friday, Nov 26<sup>th</sup> – 6:30pm to 9:30pm • **TBA** •

**To Commodore Steele, Officers and Board of Directors and Members:**

We joined the Club in 1974. The Scuttlebutt was done differently. Members would take their typewriter to the Club. Since I had a typewriter and could type, I was "volunteered." We typed the pages on mimeograph paper, if mistakes were made we had to start over. The Scuttlebutt pages were completed with the mimeograph machine. Continuing, the pages were placed in piles, members would walk around the table and put the Scuttlebutt together. At times a member might have a little too much to drink, dropped the pages. Time to start over. We had a great time!

I had two children: Rhonda and Rusty Chandler. They loved the club as part of the "Tide Teens" and Tournament skiers.

When computers came into existence the newspaper was published with computers in a more efficient way. Thank goodness for technology!

I have no idea when I took over as editor, My health prohibits me from continuing Scuttlebutt. I will continue for the November issue with support. Send me pages ready to input directly into the Scuttlebutt. Thank all members that contributed. (Sorry, I underestimated what I could finish with my last issue was late.)

The November is my last issue. I will be available to contribute with the history and my knowledge of the Club in the future.

**My background:**

Active Club Member since 1974.

Scuttlebutt Editor for 21 years for the minimum.

Professional Mortgage Banker for 45 years including management.

Held Numerous Offices – 15 years on the Board: 1<sup>st</sup> & 2<sup>nd</sup> Vice

Commodores, Treasurer, Secretary and Board of Directors. Held more

Offices than any current active member plus other's. Plus others.

**I Love the Club and the members!  
Will see you around.

## Convair Waterski Club:

For those that are unaware, we joined the boat club with our three boats and members being read-in over 25 years ago..... and we have not left since (but have moved our boats and shed a few times over the years).

We ski Mission Bay year-round on Sundays, as well as Thursdays between Apr-Sept. We also run weekend camping//skiing trips to the Colorado River in the spring Apr-Jun and fall Sep-Nov.

We provide all the equipment and helpful instruction that a new skier or wakeboarder might need. We also have a Driver training program for those that want to drive the boats and a Launcher training program for those that want to use the boats for non-club activities.

The Convair Waterski Club has also been helping with the Blind Ski Clinics for many years.

Many thanks to Jackie Niznik who in her own quiet, sweet way placed all the garden border along the front of the clubhouse and around on the North side of the building and planted the succulents as well. When you see her, please thank her for all her work in enhancing the look of the clubhouse.

I would like to thank the anonymous donor who donated a mature succulent plant in a large clay pot and placed it in the patio area. It is a nice addition to the patio. thanks again.
